Dear Infant Parent:

As a part of the USDA Food Program, we offer to you, one Iron-Fortified formula or baby food to your infant.

There is a cost involved in providing this service that is not built into our fee system. The fee for this service is \$40.00 per week for each infant accepting the service. The fee is due in advance on Friday for the coming week.

The attached food program form must be filled out by you. It gives you the choice of continuing to provide your own infant formula and/or baby food or have the center provide the formula and /or baby food for your child/children.

Please fill out the attached form and return it to the center's director.

Thank You,

Center Management
